Free Migration Services from VIAcode

Unlock the Power of the Cloud

Migrating to the cloud can be challenging and costly – but it doesn't have to be. VIAcode, a Microsoft Managed Partner with expertise in Azure migration, offers free migration assessment and execution services that streamline your move to Azure with no upfront costs. Through our funding partnership with Microsoft, we ensure your migration is fully planned, supported, quick to approve, and seamlessly executed.

Why VIAcode for your Azure migration?

VIAcode combines technical expertise and credentials with a client-centered approach that minimizes risk and downtime during migration. Our services are designed to fit your organization's unique requirements, whether you're just beginning your cloud journey or growing an existing environment.

Free Azure Migration Assessment

A successful migration begins with a comprehensive assessment. VIAcode's free migration assessment evaluates your current infrastructure, application environment and business objectives to create a detailed, custom roadmap for moving to Azure. This plan also covers the effort and cost of migration and includes a forecast of your expected Azure spend. Our team of experts identifies potential risks and challenges, ensuring that your migration is secure, compliant and tailored to your business needs.

VIAcode's migration assessment includes:

+ Thorough Evaluation: A detailed analysis of your IT landscape to assess Azure compatibility and readiness.

+ Effort and Cost Analysis: A clear breakdown of migration effort, cost and projected Azure spend.

+ Risk Mitigation: Identification of potential obstacles to avoid unexpected costs and delays.

+ Customized Strategy: A step-by-step plan that aligns with your goals and budget and minimizes downtime.

Free Azure Migration Execution

VIAcode's Azure experts handle every aspect of migration, from setup to launch. Our approach supports a secure, efficient transfer of your operations to Azure with minimal disruption to your business activities. As part of the migration execution, we review what is needed for ongoing Azure management and help your team prepare through upskilling, skills assessments, or support from our virtual Cloud Center of Excellence (vCCoE), which extends your team with our experts.

Our Azure migration service includes:

+ End-to-End Service: Comprehensive management of all stages of migration to minimize business interruptions.

+ Flexible Strategies: Tailored migration approaches such as lift-and-shift, right-sizing and modernizing to optimize performance and costs and meet your business objectives.

+ Ongoing Readiness: Guidance on post-migration best practices and support to ensure long-term Azure success.

+ Seamless Experience: VIAcode's goal is to minimize impact on workflows, ensure a continuous user experience and provide robust data security.

Experience a seamless Azure journey with VIAcode

Backed by Microsoft's partner-led funding, VIAcode's free migration services cover the costs associated with both assessment and migration execution. Our hands-on approach and flexible service options – whether full migration management or co-managed execution – ensure that your organization can begin your Azure journey primed for ongoing success.
